

Parenting Wisely

Six Week Parent Education Training Series

February 22 & March 1,8,15,22,29

EBCAP Head Start

8 John H. Chafee Boulevard,
Newport, RI 02840

Time: 2:30 PM to 4:00 PM

**Family Care
Community
Partnership**

The Parenting Wisely training series is designed to support and strengthen the learning of skills for the healthy well-balanced raising of young children from age 3 to 10. The training is proven to reduce problem behaviors and increase communication and family unity. Using video technology and peer support, *Parenting Wisely* supports parents with strategies on how to:

- Discipline effectively and fairly.
- Explain what you expect from your child.
- Explain rewards and consequences of behavior to your child.
- Let your child know you hear him/her and you're trying to understand.

Parenting Wisely is being co-sponsored by the East Bay Family Care Community Partnership, Child & Family, East Bay Community Action Program, and Parent Support Network of Rhode Island.
