### FREE Tax Return Income Guidelines (\$49,078.00)

A person's eligibility for the EITC is based on their earned wages and number of dependents. For example, a single person with three or more qualifying children who earned \$43,998 or less is eligible (\$49,078 married filing jointly with three or more qualifying children). The maximum credit for tax year 2011 is \$5,751 (based on income and number of qualifying children).
