to benefit East Bay Community Action Program
With the support of friends like you, we will serve 30,000 people from the East Bay this year. The services EBCAP offers help make sure everyone can reach their full potential. This may mean solving immediate challenges, like access to food or housing. Or, it may mean getting and staying healthy for life. There’s medical and dental care, behavioral health care, and human services. We help children, youth, families, adults and elders. EBCAP cares for people, and so do you.

Thank you.
